

# Ruff Ryders, Stupid Bitch

(feat. Aja Smith)

[Hook]

Stupid bitch  
Talking shit when I'm gone  
why she always in his face  
He's my man understand  
That I'ma have to hurt you for him

Bitch talkin shit when I'm gone  
Why she always in his face  
He's my man understand  
That I'ma have to hurt you for him

[Verse 1]

Now she don't know anything about me  
And how I get down  
She heard that I'm a sweet R&B bitch  
but never been to my side of town  
I know a couple grimy bitches  
that a put a stupid ass in stitches  
All on a count of me  
But I don't need nobody to snatch that stupid bitch

[Hook]

Stupid bitch  
Talking shit when I'm gone  
why she always in his face  
He's my man understand  
That I'ma have to hurt you for him

Bitch talkin shit when I'm gone  
Why she always in his face  
He's my man understand  
That I'ma have to hurt you for him
