

# Rufus, In Love We Grow

We go on and on  
From dawn to dawn  
The years have flown  
Much faster than we know  
And still in love we grow

Time has placed us here  
Afraid of fear  
We've seen through tears  
That never should have come  
And still in love we grow

Like a baby dove  
Our love in time it's snowy wings unfold  
To soar above  
I'll stay another hour, another day  
My whole life  
As long as I feel this way  
I'll stay with you and know  
As long as I feel this way  
In we'll grow
