Rufus, In Love We Grow

We go on and on From dawn to dawn The years have flown Much faster than we know And still in love we grow

Time has placed us here Afraid of fear We've seen through tears That never should have come And still in love we grow

Like a baby dove
Our love in time it's snowy wings unfold
To soar above
I'll stay another hour, another day
My whole life
As long as I feel this way
I'll stay with you and know
As long as I feel this way
In we'll grow
