

# Rugrats, Final Heartbreak

It's all about the way you're feelin  
Deep in your heart  
When she let you go  
I don't doubt you care  
Believe that  
It tears you apart  
Whatcha didn't know,  
Someday you'll remember  
Why you fell for her  
Why you said goodbye  
Don't let your broken heart keep forever mending  
And miss out on love that is never ending, yeah

(CHORUS)

This could be your final heartbreak  
I could show you what good love takes  
Never say good bye  
Never make you cry  
Yeah this could be your final heartbreak  
This could be  
Your final heart  
Your final heartbreak

I don't wanna take advantage  
Or maybe I do  
And I know it's true  
That I can help undo the damage  
All of the hurt  
That she did to you  
You need someone you can talk to  
Someone who feels the same  
About everything you do  
And I could be the one to make you forget her  
I wanna be the one to make you feel better - yeah!

(CHORUS)

I'll let you feel a love so real  
I'll let you know  
Oh, I gotta let you know  
You will forget  
She will regret  
Letting you go  
I will not let you go  
This could be

(CHORUS x3)
