

RUN-DMC, Gap Commercial

Now Peter Piper wore Khakis, But Jay rocked Chains
And DMC bought a pair from a Gap in Queens
We kick the the bass out simple, that hot ass sound
Run-DMC and JMJ the original
Now fake designs no friend of mine
Don't want nobody's name on my behind
Gap on my leg, sneakers on my feet
D by my side, yo Jay rock the beat
[Scratching] Run-DMC and Jam Master Jay

This is Original
