

RUN-DMC, Me, Myself And My Microphone

[Judgment Night Movie Soundtrack]

[DMC]

I'm never alone, I'm in a zone of stone
I never leave home without my microphone
I break backbones, like a stone I roll
I knick-knack paddy-wack and give a dog a bone

Like Al Capone, I am a Donafone
At the mouth, shout it out, when I groan and tone
I go Uptown, I come back home
With who? me, myself and my microphone

[Living Colour/DMC]

I go Uptown, I come back home
With who? me, myself and my microphone [4x]

[Run]

It's like this y'all, it don't stop
Ya see I'm Uptown and rockin the dope spot
So I dip to the dive, drive and come alive
The two MCs that make you arrive

For all in short, my name is Run
I rock big parties, have big fun
The mind blowin party rockin MC fiend
Who made his home till it totalled a team

The cool calm brother from around The Way
Where from? DJ Run meet a kid named (Jay)
We go Uptown, and come back home
With who? me, myself and my microphone

[Living Colour/DMC]

I go Uptown, I come back home
With who? me, myself and my microphone [4x]

[DMC]

Give much respect, when I flex my tech
Unique when I speak, and I wreck your deck
I used to take the train, to go to school
The microphone holder, known the golden rule

I pop up, you can't stop my flow
I rock it in my pocket everytime I go
Straight Uptown, I come back home
With who? me, myself and my microphone

[Living Colour/DMC]

I go Uptown, I come back home
With who? me, myself and my microphone [4x]
