RUN-DMC, Wake Up

[Wake up], [wake up] [Get up] [Wake up], [wake up] [Get up] [Wake up]

When I woke up this morning and got out the bed I had some really fresh thoughts going through my head they were thoughts that came from a wonderful dream it was the vision of a world working as a team

it was a dream [get up] just a dream [wake up], [wake up], [get up]

There were no guns, no what no tanks, no what, atomic bombs and to be frank homeboy there were no arms just people, working hand in hand there was a feeling of peace all across the land

it was a dream [wake up] just a dream [get up], [wake up], [wake up]

Between all countries there were good releations there finally was a meeting to united nations and everybody had an occupation 'cause we all worked together to fight starvation

it was a dream [wake up] just a dream [wake up], [get up]

Everyone was treated on an equal basis no matter what colors, religions or races we weren't afraight to show our faces it was cool to chill in foreign places

it was a dream [get up]
just a dream [wake up], [wake up], [get up]
[wake up], [wake up], [get up], [wake up]

All cities of the world were renovated and the people all chilled and celebrated they were all so happy and elated to live in the world that they created

it was a dream [get up] just a dream [wake up], [wake up], [get up]

There were no street people, we live rent free and every single person had a place to be a job, a home and the perfect pay and the world was free of greed and hate

it was a dream [wake up] just a dream [get up], [wake up], [wake up]

Unemployment was at a record low and the presidents were chillin at our show listening to the things that we had to say and trying to create a new and brighter day

it was a dream [wake up] just a dream [wake up] it was a dream [get up]
