

Run Level Zero, Deny Me

We got along
oh so fine
Sweet separation
sign on the dotted line
Can't get you out
from my head
So obsessed
a living dead

You are the reason
that I stay alive
Still
You are the reason
that I wanna die
I still grieve
I still cry
A moment in life to resist and deny

I'm too weak
to be strong
Everything I knew
turned out to be wrong
To be wrong
Since I'm too weak
to be strong
Everything I knew
turned out to be wrong
To be wrong

In this moment I am lost
so heartbroken
That's the cost
the cost of my deeds
Pay the fees
the cost of my deeds
