Running Wild, Blazon Stone

Like an hawk-eyed eagle, we're cruising on our raid Our dogged pride will never fade Born-free we're still sailing the seven stormy seas No-one will force us to our knees

Stand tight, we'll fight the fear and pain United force Blazon stone, power and hope to the slave Blazon stone, a mascot to the tortured Blazon stone

Break the chains of torment, madness causing pain Can't be the fate that rules the game Corruption, hate and treason are the evil we must fight United we will stand the night

Stand tight, we'll fight the fear and pain United force
Blazon stone, power and hope to the slave
Blazon stone, suppression, we'll send to its grave
Blazon stone, we spit into the face of death
Blazon stone, a mascot to the tortured
Blazon stone

They demonize our pride, blood on blood, we can't submit We battle side by side, like a pounding ram that hits their head Their man-o-war shall burn Mr. Mortis reaps his seed The point of no return Slanderous lies we will defeat

Stand tight we'll fight the fear and pain United force
Blazon stone, power and hope to the slave
Blazon stone, suppression we send to its grave
Blazon stone, we spit into the face of death
Blazon stone, a mascot to the tortured
