Running Wild, Born Bad, Dying Worse

[Music: Rolf Kasparek] [Lyrics: Rolf Kasparek]

Born with that evil smile Don't waste no time Filling up your file Crossing the line

Blood is your sugar poison Filling up your soul

[Pre:]
Born liar, evil fire
Black blood is filling your veins
Born killer, life-long thriller
Counting out the men you've slain

[Chorus:]
Born bad, dying worse
Your choice, it ain't no curse
Born bad, dying worse
Hellbound, your evil thirst

Fraud and lies are your passion You won't give it up Maxim and not fashion Hell fills your cup

[Chorus]
