

# Running Wild, Dr. Horror

War, termination's roar  
Terminations roar on the battlefield  
Soldier's trapped without a shield

Mordant air, carry death  
Poisoning, choking breath

Massdestructive strategy  
An evil plan of first degree  
How perverse will be the end  
We all will die by evil's hand

Sex, virus attacks  
Virus attacks an soiling blood  
Innocence, the evil's plague  
Destructive generic code  
'Tittytainments' overload

[Pre...]

Dr. Horror, Dr. Horror, your heart's of blackest kind  
Dr. Horror, Dr. Horror, the raw perverted mind  
Dr. Horror, Dr. Horror, masskiller on the grind  
Dr. Horror, Dr. Horror, a modern Frankenstein

What, what do you wanna be  
What do you wanna be is a sordid slave  
Obedient 'til the grave  
The underling, the brain insane  
Dying in the painful flame
