

Rush, Natural Science III. Permanent Waves

Science, like nature,
Must also be tamed
With a view towards its preservation.
Given the same
State of integrity,
It will surely serve us well.
Art as expression,
Not as market campaigns
Will still capture our imaginations.
Given the same
State of integrity,
It will surely help us along.
The most endangered species,
The honest man,
Will still survive annihilation.
Forming a world
State of integrity,
Sensitive, open and strong.
Wave after wave will flow with the tide, and bury the world as it does.
Tide after tide will flow and recede, leaving life to go on as it was...
