

# Rush, The Fountain Of Lament VI. The Fountain

Look! The mist is rising  
And the sun is peaking through  
See the steps grow lighter  
As I reach their final few  
Hear the dancing waters  
I must be drawing near  
Feel, my heart is pounding  
With embattled hope and fear  
Now, at last I fall before  
The Fountain of Lamneth  
I thought I would be singing  
But I'm tired...out of breath  
Many journeys end here  
But, the secret's told the same:  
Life is just a candle, and a dream  
Must give it flame  
The key, the end, the answer  
Stripped of their disguise  
Still it's all confusion  
And tears spring to my eyes  
Though I've reached a signpost  
It's really not the end  
Like Old Sol behind the mountain  
I'll be coming up again.  
I'm in motion  
I am still  
I am crying  
I am...still.  
I'm together  
I'm apart  
I'm forever  
At the start  
Still... I am.
