

Rush, Vital Signs

Unstable condition
A symptom of life
In mental and environmental change
Atmospheric disturbance
The feverish flux
Of human interface and interchange

The impulse is pure
Sometimes our circuits get shorted
By external interference
Signals get crossed
And the balance distorted
By internal incoherence

A tired mind become a shape-shifter
Everybody need a mood lifter
Everybody need reverse polarity
Everybody got mixed feelings
About the function and the form
Everybody got to deviate from the norm

An ounce of perception
A pound of obscure
Process information at half speed
Pause, rewind, replay
Warm memory chip
Random sample, hold the one you need

Leave out the fiction
The fact is, this friction
Will only be worn by persistence
Leave out conditions
Courageous convictions
Will drag the dream into existence

A tired mind become a shape-shifter
Everybody need a soft filter
Everybody need reverse polarity
Everybody got mixed feelings
About the function and the form
Everybody got to elevate from the norm...
