

Rushlow, Since When

Yeah, I'm doin' just fine
Everything's goin' great
She's so out of my mind
Totally erased
I've got it together
I'm better than I've ever been

Since when
Why am I kidding myself
From the moment she left I've been over the edge
And I can't pull out of this spin
Well, I haven't been myself
Since when

She used to believe
I was made to love her
And I, I can't even think
Of tryin' to love another
But maybe I've changed
I'm not the man I was then, yeah

Since when
Who am I trying to fool
I can talk till I'm blue
I'm still over the edge
And I can't pull out of this spin
I haven't stopped thinkin' of her
Since when

She used to be my whole world
My life revolved around her's
Maybe it could again
Maybe I'll get over this

Since when
Why am I kidding myself
From the moment she left I've been over the edge
And I can't pull out of this spin
Well, I haven't been myself
Since when

I can't quit thinking of her
I haven't been myself
Since when
