

Russ, Yes Sir

Baby I'm a boss, they say yes sir
Yes sir, yes sir
Yeah
Yes sir, baby I'm a boss, they say yes sir
So shout out to myself that's my investor
Made another mill, let's run it back like Devin Hester
Pistol in my dresser, baby this is silk not polyester
Baby I'm a boss, they say yes sir
So shout out to myself that's my investor
Made another mill, let's run it back like Devin Hester
Pistol in my dresser, baby this is silk not polyester
Yes sir, they were giving L's
But I looked forward and saw all Ms
Industry is fake
These are not people that I call friends
Got some shit to move to
Baby I'm a star, of course I'm hangin' out the moon roof
Sell out, I refuse to
Made three million dollars in a month, yeah that's a hat-trick
Used to always chief inside my home
I felt like Patrick, I'm feelin' fantastic
Swear I wasn't jokin' when I said that bitch was bad shit, bad shit
Yes sir, baby I'm a boss, they say yes sir
So shout out to myself that's my investor
Made another mill, let's run it back like Devin Hester
Pistol in my dresser, baby this is silk not polyester
Yes sir, baby I'm a boss, they say yes sir
So shout out to myself that's my investor
Made another mill, let's run it back like Devin Hester
Pistol in my dresser, baby this is silk not polyester
My girl don't wear no bra, she let them titties titty
I'm way too paid and way too fly, we don't go fifty-fifty
My pants are issey issey, your fit is willy-nilly
I'm goin' round the world and back, I'm bookin' busy busy
Come here kitty kitty, I don't mind a couple whiskers
Just got off the road, came back significantly richer
They tattoo my scriptures, Russ is a religion
The second step is action dawg, the first step is ambition
I hope you listen, yeah
Yes sir, baby I'm a boss, they say yes sir
So shout out to myself that's my investor
Made another mill, let's run it back like Devin Hester
Pistol in my dresser, baby this is silk not polyester
Yes sir, baby I'm a boss, they say yes sir
So shout out to myself that's my investor
Made another mill, let's run it back like Devin Hester
Pistol in my dresser, baby this is silk not polyester
Yes sir, baby I'm a boss, they say yes sir
Yes sir, yes sir
