

Russell Crowe & 30 Odd Foot Of Grunts, You Tre

(Crowe)

You treat me like chocolate
Something you shouldn't touch between meals
Instead of having at it
Simply express the way you feel
Finesse is not this time
This time it just stares you in the face
This time it could be critical
To wake your living heart from its resting place
Oh I'm specific and I'm cruel
Unpredictable
Your fool
Yeah
You treat me like chocolate
just unwrap it
You treat me like chocolate
Just have at it
Some recall experience
So others can run the same road
But you just write down possibilities
So you can spend more time at home
Oh I'm specific and I'm cruel
Unpredictable
Your fool
Yeah
You treat me like chocolate
So just unwrap it
Say I taste like chocolate
Don't choke on it
You treat me like chocolate
Yeah
