

Ruth Ann, Beautiful

Happiness is open to you
Think of all of the good things you want to do
Don't let their opinion help bring you down
Cause jealousy only proves, that they're in the wrong

And if you have me and if I have you

I have to tell you life is so beautiful
You have to tell me why you let it get this far
And if I have you and if you have me
Life will be beautiful, once more

Bitterness happens to you
When you let other people tell you what to do
Take measure of your mind to find who you are
Trust the choices that you make and never look back

I have to tell you life is so beautiful
You have to tell me why you let it get this far
And if I have you and if you have me
Life will be beautiful, once more

Life will be beautiful
