

Ruth, One Foot In, One Foot Out

I don't want to talk to anyone but You.
Tell You what I feel

I want to be blind to the things that drag me down.
I want to be blind, I don't want to sell out.
You are more than I could ever pretend,
to know the first thing about love and what it means.
I will hold on to Your words forever.
To know You, to see You, to touch You.
You're all I want . You're all I need.
I can't ride this fence, it's tearing me apart.

One foot in, one foot out.
I can't keep this straight now.

I want to be blind to the things that drag me down.
I want to be blind, I don't want to sell out.
You are more than I could ever pretend,
to know the first thing about love and what it means.
I will hold on to Your words forever.
To know You, to see You, to touch You.
You're all I want . You're all I need.

I'll do anything You want me to I promise.
Tell you what You want to hear,
if You just let me stay here with you forever.
It's where I want to be.
Want to know You.
Want to see You.
I can feel it when I touch You.
Want to see You.
I can feel it when I touch You.
When I touch You.
You.
You.
