

# Ruth Sahanaya, Lord I Surrender

Search me O' Lord  
And seek out my heart  
Surround me with Your Spirit  
And never be apart

O' where can I go from Your Spirit  
And where can I go from Your presence  
As high as the heavens to the deepest sea  
O' Lord, You are there

Chorus:  
How great is Your love and Your mercy for me  
With every breath I take I will worship  
Lead my way, I pray  
Lord I surrender  
How awesome Your presence  
Your glory I see  
I bow down before You in worship  
I will wait on You  
Lord I surrender
