

Rutles, I Must Be In Love

I feel good
I feel bad
I feel happy
I feel sad
Am I in love?
I must be in love
I feel rich
I feel poor
I'm in doubt
I feel sure
Am I in love?
I must be in love

Anytime of the day I can see
her face when I close my eyes
Wooo!

She's a dream
She is real
Can't explain
how I feel
Am I in love?
I must be in love

(repeat refrain)

Am I dead
or alive?
Can my poor heart
survive?
Am I in love?
I must be in love

(repeat first verse)
