

# Rx Bandits, Get

No time to get what you wanted,  
It's time to get what you need.  
There's a girl at the corner store who says that  
her life is such a bore.  
"I need more money and I'll be complete."  
Now she's selling her body.  
Babydoll well now can't you see that all of the best  
things in life are free?  
You don't need to be a millionaire to be happy,  
And we're all getting older.  
No time to get what you wanted,  
It's time to get what you need.  
But it's so hard, so hard to see.  
I met a man who was already dead,  
with a needle in his arm and a gun to his head.  
He said "I need more money for just one more hit,  
or at least one more bullet."  
In this land of hypocrisy, where all of the best  
things in life are free.  
You don't need to be a movie star or on t.v.  
Now we're all getting older.
