## Rx Bandits, Wrong With Me

Daddys gone now hes gone off to fight the new world war hes gonna be a hero ya he'll be a star but what is seen aint what it means to you, you see the rest now daddys gonna go and kill you think thats best daddy thinks that its the right way daddy says he'll be ok! but now daddy has stopped writting and you dont know what to say

Chorus

whats right i cant see (this time im headed for the door) what is wrong with me i can see were so blind were so blind i can see so upset at the world and its mediocrity

Johnny sighs as he leans back into his penis chair he runs his fingers through his clean cut hair piles of bullshit growing up around his desk are large cause thats hte only way that johnny knows to charge johnny thinks that its the right way cause he gets six days off a year johnny still aint sick of waiting because he dont know what is fair

Chorus
