

# RxBandits, Consequential Apathy

now that you're gone  
i'm regretting every word i said  
on this dark day my veins are burning  
trying to keep these thoughts out of my head  
so what do you think  
do you even blink  
when i'm screaming and calling your name  
just how i like it -blank and indifferent  
are you too ignorant to feel the ashamed  
- chorus -  
wake up, wake up, wake up  
the world is changing  
someone else's sorrow  
i can't hear it  
someone else's sorrow now  
and take back life's remote control  
- -  
where you going, what's this life for  
how do you want to be when you grow old  
what you wanna say, what you wanna do  
nobody's a victim its only up to you  
wise man say you reap what you have sown  
only what you have sown  
- chorus -  
now that you're gone  
well, you're regretting every word you said  
i have just one more question now  
for anyone that i can not motivate  
is it just routine trained behavior  
does the tv set control your life  
go, create
