

# RxBandits, Holy Wars (...The Punishment Due)

[Originally by Megadeth]

brother will kill brother spilling blood across the land  
killing for religion something I don't understand  
fools like me, who cross the sea  
and come to foreign lands ask the sheep, for their beliefs  
do you kill on god's command?  
a country that's divided surely will not stand  
my past erased, no more disgrace  
no foolish naive stand  
the end is near, it's crystal clear  
part of the master plan  
don't look now to israel it might be in your homelands  
Holy wars  
upon my podium, as the know it all scholar  
down in my seat of judgment  
gavel's bang, uphold the law up on my soapbox  
a leader out to change the world  
down in my pulpit as the holier than thou could be messenger of god  
wage the war on organized crime  
sneak attacks, repel down the rocks  
behind the lines  
some people risk to employ me  
some people live to destroy me  
either way they die  
they killed my wife, and my baby with hopes to enslave me  
first mistake...last mistake!  
paid by the alliance, to slay all the giants  
next mistake...no more mistakes!  
fill the cracks in, with judicial granite  
because I don't say it, don't mean I ain't thinking it  
next thing you know, they'll take my thoughts away  
i know what I said, now I must scream of the overdose  
and the lack of mercy killings
