

# Ryan Adams, Bartering Lines

Hold me up hold me down  
Leave me in the withering pines  
Steal my love steal my kisses

Take 'em to the bartering lines  
Ten cents up two bucks down  
Shit it out and turn it into fuel  
Three bucks shy

Leave it on the table till somebody else with moneys got a use  
Spinnin' so hard  
I cant stand  
Shadow of a shadowy man  
Hold me up hold my hand

The treasures that she misses make the man  
Ten cents up two bucks down  
Shit it out and turn it into fuel  
Three bucks shy

Leave it on the table till somebody else with moneys got a use  
So hold me up tie me down  
Leave me in the withering pines  
Steal my love steal my kisses

Review u ate the differences in life  
Ten cents up two bucks down  
Shit it out and turn it into fuel  
Three bucks shy  
Leave it on the table till somebody else with moneys got a use
