

Ryan Adams, Blue Sky Blues

Blue sky when you gonna learn to rain?
And let yourself go blue for once
And let go of the weight you've been carrying
In this house, no one goes to sleep for days,
Its like were working on a mountainside
Trying not to slide,
Into the ocean,

I can take care of you
But only if you want
Imp strong enough to carry you
Across the icy lake, across the icy lake
But I cant fight your blues,
Cause I know I'll lose
What's left of my mind
I cant win,
But for you I will try
My baby blue

My mountain is hidden in a pile of trees
And its the one I'll have to climb,
If I ever wanna see,
Over the ocean
Blue sky
When you gonna learn to rain?
And let yourself go blue for once
And let go of the pain?

I can take care of you
The way you'd like to feel
Underneath the riverbed
Across the icy lake, across the icy lake
But I cant fight your blues
Cause I know I'll lose
What's left of my mind
I cant win,
But for you I will try
For you
My baby blue
