

# Ryan Adams, Caterwaul

How can I explain to you  
What you did to me with words  
Words just like the ones you used  
They mean nothing at all  
But they caterwaul, caterwaul, caterwaul  
Through my lonely hall

Selfish and so conceited  
By the way you destroy me  
Words just like ones you used  
They mean nothing at all to you  
But they caterwaul, caterwaul, caterwaul  
Through my lonely hall

Caterwaul
