

Ryan Adams, Jesus (Don't Touch My Baby)

In California
Forever summer and hot
Into the ocean
You're smiling a lot
On sandy beaches
And the blankets are hot
You're in my arms
And I kiss your heart
Jesus, don't touch my baby
Jesus, don't touch my baby
Jesus, don't touch my baby
She's all that I got

Reflections coming
In through the sheets
You love your baby
are sweet
Out on the highway
We ride tonight
Jesus don't know you
He was just saying "Hi";
Don't touch my baby
Jesus, don't touch my baby
