

# Ryan Adams, Mining Town

Said you came from a mining town  
But they closed the mining down  
Said your daddy was a drinker  
He had a picture of Jesus on his sinker

Maybe I... maybe I'm coming for you tonight

This town's only five miles wide  
Look everywhere there's a road sign  
Pawnshops and places to hide  
And cops sit around hungry  
waiting to dine

Maybe I... maybe I'm coming for you tonight  
Maybe I... maybe I'm coming for you tonight

Said you came from a mining town  
They closed the mining down  
Said your momma was a drinker  
She had a picture of Jesus on her sink and  
Maybe I... maybe I'm coming for you tonight  
Maybe I... maybe I'm coming for you tonight  
Maybe I..... baby, I'm coming for you tonight
