

Ryan Adams, Sweet Black Magic

Sweet black magic coming down the line.
Sweet black magic coming down the line.
Don't worry little honey,
'Bout the money you'll be feelin' fine.
Cause I'm gonna see the doctor,
Got some money, gonna get us high.
Sweet Los Angeles in the fall,
Sweet Los Angeles in the fall,
As pretty as a picture,
Ain't nobody out shakin at all.
Don't worry little honey,
Got some money, gonna get us off.

Sweet black magic,
Sweet black magic,
Sweet black magic coming down the line

Sweet black magic coming down the line.
Sweet black magic coming down the line.
Well I'm gonna see the doctor,
Gonna get us what our money can buy.
Don't worry little honey,
Got some money, gonna get us high.

Sweet black magic,
Sweet black magic,
