

Ryan Adams, Tennessee Sucks

There you go
Waving your arms like a girl
Secondary clothes
Don't worry, nobody knows
Somebody order my round
'Cause I'm getting by
With a twelve pack from 12th & Porter with Billy
4:30 a.m. at night
'Cause Tennessee sucks, in the summer
What do you got that can put us under?

There goes Johnny B.
Weird and tall
He says "The band, they've got good songs,
they just don't draw";
Somebody order my round
Chances are I won't pay
Hey Brad, let's go down to The Bound'ry
Get something blue to put us out of our way
'Cause Tennessee sucks, in the summer
What do you got that can put us under?
