

Ryan Adams & the Cardinals, My Heart Is Broken

My heart is broken
My love is gone
I lay without you
Your pillow cold

I am forsaken
I can't go on
My heart is broken
My love is gone

If I hadn't cheated
While you were gone
The well that we'd
Been drinking from
Wouldn't a dried
And turned cold

I am forsaken
I can't go on
My heart is broken
My love is gone

If I hadn't cheated
While you were gone
The well that we'd
Been drinking from
Wouldn't a dried
And turned cold

My days are empty
My nights are long
Five cups of coffee
For the years gone wrong

If I hadn't cheated
While you were gone
The well that we'd
Been drinking from
Wouldn't a dried
And turned cold

I am forsaken
I can't go on
My heart is broken
My love is gone

My love is gone
