

# Ryan Adams, To Be Young (Is To Be Sad, Is To Be High)

Young boy you done me bad I went and did ya wrong  
Young boy you done me bad I went and did ya wrong  
Then I got high Lord I get high and I got a bone to pick with you

And I'm sure you know its true

Oh one day when you're looking back  
You were young and man you were sad  
When you're young you get sad  
When your young you get sad then you get high

Oh man  
Young gal you done me bad and I went and did ya wrong  
Young gal you done me bad so I went and did ya wrong  
Then I got high  
Lord I got high

Now you got a bone to pick with me but I wish you'd let me be  
Oh one day when you're looking back  
You were young and man you were sad  
When you're young you get sad  
When your young you get sad then you get high

You get high  
Oh the days the rain would fall your way  
Oh the days the rain would fall your way  
Then you be high cause you got sad  
Cause you got sad

Oh man
