

# Ryan Adams, Withering Heights

I can be taught but I'm not learning  
Over and over I lose  
I make mistakes, get so sorry  
I can't unwind like yarn from a spool

I'm a little shaky gotta learn how to fight  
The moon shines on the boulevard baby let's ride  
If you gotta look back, don't look down  
Our love went cold and turned to ice

It's hard to see the ground  
From the withering heights  
From the withering heights

I can go on, but I won't bore you  
Lucky in life, not in love  
I make mistakes like anybody  
Anyone foolish to love me that much

I'm a little shaky gotta learn how to fight  
The moon shines on the boulevard, baby let's ride  
If you gotta look back, don't look down  
Our love went cold and turned to ice  
It's hard to see the ground

From the withering heights  
From the withering heights  
From the withering heights

From the withering heights  
From the withering heights  
From the withering heights
