

# Ryan Leslie, Quicksand

I'm emotional, yes it's true  
Cause I've been looking for a pretty girl  
Just like you, heh  
And I get butterflies, when we close  
And I can tell by how she plays the game  
She knows  
So I'm emotional, I cant hide  
Cause she classic but she ain't afraid to ride  
And shes incompable, She's a 10  
And she plays with all her silly heart to mend  
That's why you got me in  
Quick sand, Quick sand  
Can't believe that I'm stuck  
That's why you got me in  
Quick sand, Quick sand  
Can't believe I'm stuck  
I'm emotional, yes it's true  
Cause I've been looking for a pretty girl  
Just like you, hah  
And I get butterflies, when we close  
And I can tell by how she plays the game  
She knows  
So I'm emotional, I cant hide  
Cause she classic but she ain't afraid to ride  
And shes incompable, She's a 10  
And she plays with all her silly heart to mend  
That's why you got me in  
Quick sand, Quick sand  
Can't believe that I'm stuck  
That's why you got me in  
Quick sand, Quick sand  
Can't believe I'm stuck  
That's why you got me in  
Quick sand, Quick sand  
Can't believe that I'm stuck  
That's why you got me in  
Quick sand, Quick sand  
Can't believe I'm stuck
