## Ryan Malcolm, Nothing Left To Say

I've been lookin on the bright side I've been tryin to remember I've been thinkin of the good times but they seem so far away and you used to be someone that I could always count on but now you only count on me

It's like I dont even know you and you don't even care it's like I lost you somewhere

and I,

try to be your friend and I'm doing the best I can but sometimes I don't understand why you why you're asking me to stay when you're pushing me away in a silence here between us there's nothing left to say

Woo, there's nothing left to say

day and day out I've been hoping things would change I've been showing you a way out but you slammed the door on me you used to be someone that laughed until you cried and now you just cry you just cry, and....

It's like I dont even know you and you don't even care it's like I lost you somewhere

and I, try to be your friend and I'm doing the best I can but sometimes I don't understand why you why you're asking me to stay when you're pushing me away In a silence here between us there's nothing left to say

So how long should I try to break my way inside and drag you back into the light

cause it's tearin me apart and I'm feeling I should start thinking of you

and I try to be your friend and I'm doin the best I can

there's nothing left to say

I'm tryin to be your friend and I'm doing the best I can but sometimes I don't understand why you why you're asking me to stay when you're pushing me away In a silence here between us there's nothing left to say

I'm tryin to be your friend and I'm doing the best I can but sometimes I don't understand why you why you're asking me to stay when you're pushing me away In a silence here between us there's nothing left to say
