

Ryan Star, Famous Love

One more kiss for famous love
For this famous love
One more diamond, famous love
For this famous love

And you caught me in my lies
When my mind was lost on wine
Who'd've thought its such a crime
To love, love, love
To love, love, love

One more dance for famous love
For this famous love
For this famous love

And you caught me in my lies
When my mind was lost on wine
Who'd've thought its such a crime
To love, love, love
To love, love, love... oh

After all, oh I believe this is who we are
After all, oh I believe this is where we are
Who we are
Tear your heart
Oh, I believe that you're still a star,
Cut and scarred oh, oh, oh, oh

And you caught me in my lies
When my mind was lost on wine
Who'd've thought it's such a crime
To love, love, love

And you caught me in my lies
When my mind was lost on wine
Who'd've thought its such a crime
To love...
To love, love, love
To love, love, love...oh
