

Ryan Tedder, Show Me

It could have been that you and I
Were always meant to be
Sometimes I don't remember all the reasons why
But deep inside I know
I tried to be the one who you wanted
But all I got was flack from you
Now tell me girl what you want me to do
Loved you but you never saw the forest for the trees
Now please don't waste my time
Are you in or are you out
Show me what you're all about
If it's love then let it out
Show me what you're all about
You can scream or you can shout
Show me what you're all about
Show me
Show me
Show me
Show me what you're all about
I don't mean to make you cry
But I'm tired of playing games
So baby don't you tell me lies
Cause deep inside I know
I tried to be the one who you wanted
But all I got was flack from you
Now tell me girl what you want me to do
Loved you but you never saw the forest for the trees
Now please don't waste my time
Are you in or are you out
Show me what you're all about
If it's love then let it out
Show me what you're all about
You can scream or you can shout
Show me what you're all about
Show me

Ahhhhhhhh..
Are you in or are you out

If it's love then let it out
