Ryuichi Sakamoto & David Sylvian, Forbidden Co

The wounds on your hands never seem to heal I thought all I needed was to believe

Here am i, a lifetime away from you The blood of christ, or the beat of my heart My love wears forbidden colours My life believes

Senseless years thunder by Millions are willing to give their lives for you Does nothing live on?

Learning to cope with feelings aroused in me My hands in the soil, buried inside of myself My love wears forbidden colours My life believes in you once again

Ill go walking in circles While doubting the very ground beneath me Trying to show unquestioning faith in everything Here am i, a lifetime away from you The blood of christ, or a change of heart

My love wears forbidden colours My life believes My love wears forbidden colours My life believes in you once again
