

S Club 7, It's a feel good thing (Buenos Tiempo)

Come join the party - come on get up off your seat
Doesn't matter who you are, we all dance to the same beat
Come put your hands together - shake your little feet
(Whay - ee - yay - ee - oh!!!)

Chorus:

Buenos Tiempo - with the friends of mine
Buenos Tiempo - we have good times
Buenos Tiempo - if can't get no higher
Buenos Tiempo - thru' the streets of fire!

And once you're started up

You're gonna dance until you drop

It's a feel good thing - it's an S Club thing

And when the rhythm hit you you'll never wanna stop

It's a feel good thing - it's an S Club thing

Now you're in the party moods - there's no turning back

Just let yourself go on you'll be on the right track

Ev'ry boy and evry girl holding hand around the world

(Whay - ee - yay - ee - oh!!!)
