

S Club 7, Our Time Has Come

Don't you know our time has come
Let's party on tonight

We're moving on
Going strong
With new ideas
There's something we can all believe in
Yeah
We're turnin' back
We're on the track
Going down our way
And where we're going there's no saying

They will tell you to go this way, that way
Anyway but your way
Never let them fool you
You're the one who knows which way you're going
They will send you forwards, backwards
They will say what you should do
Never listen to them
We're the ones who answers for our actions

CHORUS:

Don't you know our time has come
And we're livin' it up because the beat is strong
Let's party on tonight
Don't you know our time is here
And we're turnin' it up so everyone can hear
Our time has come tonight

Don't you know it
Oh, oh
Yes our time has come
Oh, oh

So here you are
Shooting star
You shine so bright
You are told you'd never make it
Yeah
So now you've heard
Spread the word
To everyone
An invitation you should take it

RSVP

They will tell you to go this way, that way
Anyway but your way
Never let them fool you
You're the one who knows which way you're going
They will send you forwards, backwards
They will say what you should do
Never listen to them
We're the ones who answers for our actions

(Chorus)

Don't you know it
Oh, oh
Yes our time has come
Oh, oh

I know at times
They can be so unforgiving

And you feel you're on your own
But you'll never be alone
Our time has come

There's a party going on over here
If you want it
Throw your hands up in the air
If you want it
Come and sing along with the Club
If you want it
Hey, hey, hey
(x2)

(Chorus x2)

Don't you know it
Oh, oh
Yes our time has come
Oh, oh

There's a party going on over here
If you want it
Throw your hands up in the air
If you want it
Come and sing along with the Club
If you want it
Hey, hey, hey

(Chorus)
