

# S Club 7, We Got It

I see you staring at me,  
you like me,  
don't you,  
i do,  
you know it's true,  
yes you do,

[Chorus]  
I got it,  
you know it,  
and i really like to show it,  
We got it,  
you don't know it but you know we got it

I got style and can sing,  
i don't sing about everything,  
so cmon get on your feet,  
ooo-ya-a-a

[Repeat chorus 3x]
