

S Club 7, You're everything

Today I saw somebody
Who looked just like you
He walked like you do
I thought it was you
As he turned the corner
I called out your name
I felt so ashamed
'Cause it wasn't you
Wasn't you
You are everything
And everything is you
Oh, you are everything
And everything is you
Oh, you are everything
And everything is you
Oh baby
How can I forget
When each face that I see
Brings back memories
Of being with you
Oh darling,
I just can't go on
Living life as I do
Comparing each girl with you
Knowing they just won't do
They're not you
No, no, baby
You are everything
And everything is you
Oh, you are everything
And everything is you
Oh, you are everything
And everything is you
For you're everything to me
Don't you know you're everything to me?
You're everything
Everything to me
