

# S Club, Show Me Your Colours

You cast a spell over me  
I don't know where to turn to anymore  
I see your face  
Every morning when I wake up  
Every night when I go to bed  
You're here with me some how  
Don't know how  
I can feel you here right now  
So close  
So real  
Doo doo-doo doo-doo  
Show me your colours

Show me  
Show me your colours  
Show me  
Don't break this spell I'm in  
Please don't break my heart  
Show me  
Show me your colours, baby  
Tell me who you really are

I know you want what I want  
Far away  
But still within our reach  
Do you dare  
Are you brave enough to show me  
What your heart really wants to?  
(Heart really wants to)  
I say your name to my self out loud  
Wanna have you all around  
Like a cover for the cold and the outside  
Making love in the candle lights  
Doo doo-doo doo-doo

The way you know I really want  
But I do  
Even though it's been a nightmare  
To pretend that it's all over  
It's not the easiest thing to avoid  
Damage is already done  
I'm in love
