[RAP]

Come along baby just come along baby
Lookin out the window now I don't know where I'm supposed to stand
Living in the world of loneliness victim of love
Baby don't trip (yo check yourself)
Thinkin about the days, dreamin about the past
Love was so true, can't nobody fade it
(Just about to get it) yeah listen up to the words that I'm sayin
[Now that you've left me alone
Reminiscing the times back when we were so in love
I'm being true to you baby
I need your sweet touch, your lovely scent...
All that stuff makes me insane
I wanna make love to you baby]
Ahn nyoung ee rahn mahl eul kkok hae yah hahn dah myun
Cha ra ri sae sang moh deun beet cheul ee reu ri
Ee jaen nah ae gae doh rah wah
Geu dae sseu ruh jyuh uh doo wuh gahl ddae
Nah reul ah nah jwuh...
