

# S.O.S. Band, High Hopes

You've got me like no one has before, I really love you  
The way you talk and the things you say sound so good  
But there you were standing over there with another last night  
Now in the middle of it can't you see it's killin' me

I had high hopes for you and me  
Thought we'd stay together eternally  
High hopes for our love  
Felt like it was heaven sent from above

Ooh  
Just too hard to let go

You told me you loved nobody else, you never would  
You had my child, you'd even marry me if I asked  
But now it seems more so every day that you need me less  
Now you're almost there, come around, I don't wanna let you go, oh, ho

I had high hopes for you and me  
Thought we'd stay together eternally  
High hopes for our love  
Felt like it was heaven sent from above

(High) This can't be  
Caught you with another and, girl, it's killin' me  
(High) You let me down  
I have to find somebody else since you won't be around

Just need a little time, it'll be alright

High hopes  
High hopes

Can't you see, I want you for myself (And always will)  
We had our talk and tried to make things right, or so it seems  
But it's him for you, I guess you don't need me anymore  
Hey, I never ever come around to see you again, oh (Oh, ho)

'Cause I had high hopes for you and me  
Thought we'd stay together eternally  
High hopes for our love  
Felt like it was heaven sent from above

(High) Ooh, this can't be  
Caught you with another and, girl, it's killin' me  
(High) You let me down  
I have to find somebody else since you won't be around

High hopes  
Just need a little time and I'll be alright  
High hopes  
Ooh, hoo, high, high, high

High hopes  
It's so hard to let go  
High hopes
