

Sa-Fire, Thinking Of You

As I sit looking out the window
I can still remember
They called me to tell me you went away
It was such a cold day

On a Sunday morning
It came without a warning
And all the pain I felt inside
I just can't forget you
I'm feeling so alone
Though many times I've tried
Can't get you off my mind

CHORUS

I'm thinking of you
Wonder where you are tonight
I wish that I could hold you tight
I'm thinking of you
I wish you could stay
But you're so far away

So far away

And even though you're gone
I know you're happy where you are

And I know some day
We'll be together - together again

On a Sunday morning
It came without a warning
And all that pain I felt inside
I just can't forget you
I'm feeling so alone
Though many times I've tried
Can't get you off my mind

CHORUS

So far away

I know someday I'll hold you again
You and me - together again
But until that day
I'm thinking of you

CHORUS

CHORUS

So far away
