

# Saba, Sand (Dania - piosenka na Eurowizja 2024)

Yesterday seizing up my mind  
You and me we couldn't get it right  
We were throwing memories in the air  
Bits and pieces lying everywhere

(Ooh-ooh-ooh)  
Bits and pieces everywhere

(Ooh-ooh-ooh)  
Bits and pieces like we didn't care

Shouldn't be so hard like breathing underwater  
Maybe we've been in the blue  
Didn't see it coming falling into nothing  
Ain't there something we can do?

(Ooh-ooh-ooh)  
I can feel you slipping through my hands  
(Ooh-ooh-ooh)  
Catch me build a castle out of sand

Yesterday I had you by my side  
Now we're just like strangers in the night  
Pictures of us lying on the floor  
No I can't do this fighting anymore

Shouldn't be so hard like breathing underwater  
Maybe we've been in the blue  
Didn't see it coming falling into nothing  
Ain't there something we can do?

(Ooh-ooh-ooh)  
I can feel you slipping through my hands

(Ooh-ooh-ooh)  
Catch me build a castle out of sand  
Sand sand  
I can feel you slipping through my hands  
Sand sand  
Catch me build a castle out of sand

Shouldn't be so hard like breathing underwater  
Shouldn't be so hard like breathing underwater  
Ooh yeah

Sand sand ooh  
I can feel you slipping through my hands  
Sand sand yeah  
Catch me build a castle out of sand
