

Sabaton, Resist And Bite

War is coming swiftly,
The border's closing in
We're a company of soldiers,
Me're forty, right and strong!

All alone!
Stand alone!

Ardenner ground is burning,
And Rommel is at hand
As the Blitzkrieg's pushing harder,
The war is all around!

All around!
Hold your ground!

Fight for eighteen days of battles,
Now what's horror or fright?
Few will fight for all, until the bullets are gone

We, we will resist and bite!
Fight hard, 'cause we are all in sight!
We, we'll take up hearts and fight!
Fight hard, resist and do what's right!

No matter how we're fighting,
Their numbers will still count
We're outgunned and few in numbers,
We're doomed to flag and fail!

We fought hard!
Held our guard!

But when captured by the Axis,
And forced to tell the truth
We will tell their with a smile,
We'll surprise them with a laugh!

We are hard!
We were hard!

We were told to hold the border,
And that is what we did
Honoured war and order seem to spite of our foe

We, we will resist and bite!
Fight hard, 'cause we are all in sight!
We, we'll take up hearts and fight!
Fight hard, resist and do what's right!

Gloria fortis miles, the Wermacht's closing in!
Adversor et admorsus, the war against the Eagle!

Gloria fortis miles, the Wermacht's closing in!
Adversor et admorsus, the war against the Eagle!

We, we will resist and bite!
Fight hard, 'cause we are all in sight!
We, we'll take up hearts and fight!
Fight hard, resist and do what's right!
